

## **Cancellation Announcement of Classic Japan Rally 2021 YOKOHAMA Y162**

We are announcing that we have decided to cancel "Classic Japan Rally 2021 YOKOHAMA Y162" scheduled from Friday, May 21, 2021 to Sunday, May 23, 2021.

In light of the recent situation of COVID-19, our event office had been carefully preparing to hold the event and also to ensure the safety of everyone involved in this event including spectators, entrants, and the staff during the event.

However, the current situation surrounding COVID-19 is that a state of emergency has been declared in Tokyo, and a large number of COVID-19 cases have been confirmed in Kanagawa and Shizuoka Prefectures, where the event is held.

In addition, "Hama-Fes Y162", scheduled to be held on Yokohama Motomachi Shopping Street, which is also the start and finish points of our event, has been canceled, so unfortunately, we won't be able to meet the conditions for holding the event.

Considering these situations, General Incorporated Association Classic Japan Rally made the decision to cancel the event as the health and safety of everyone are our highest priority.

Although the COVID-19 pandemic was unpredictable, as an organizer, we really regret to inform you of the cancellation of the event. We are grateful for your understanding of the situation above and our decision.

We will refund the full amount of the entry fee to participants who have already made the payment, so please e-mail or fax your preferred bank account to us. We apologize for the inconvenience and thank you for your cooperation.
